

Revelation chapter 10.

Previous note: The quoted verses from the Revelation of Saint John are literally copied, with the clipboard, from the official Vatican version. I have only put a missing accent and have removed two incorrect commas in the original. It is necessary that the texts that I publish are orthographically correct.

Previous note version in English: The verses are not taken from the original in English, as such originals are quite distorted. Those presented here are automatically translated and corrected by the author from the Spanish version, which is much clearer and more reliable.

Laughing and Tanned Skin had met in a park on Saturday to chat without purpose outside the work environment, that is, without jokes. They had already found each other and were walking in search of a suitable, discreet, well-shaded bench.

Tanned Skin.- Hey, do you know anything new about Charlie?

Laughing.- No, nothing new, just what you told me, that he had stopped smoking, didn't you tell me?

TS.- Yes, he stopped smoking because his son is getting older and he does not want to influence him maliciously.

L.- Yes, I understand, poor boy.

TS.- Well, of course, he loses a lot, well-being and knowledge.

L.- True, but I am referring to the child, his son, who will have to bear the sacrifice of his father on his back all his life for a stupid lie.

TS.- What lie?

L.- The Lie.

At that moment they came to a wonderful bench. They sat down, Laughing sighing, as old age was already pointing to him, and they took out the tobacco, the paper and the spliff, and they busied themselves rolling some joints in comfortable silence. Once the

joints were rolled they began to smoke and Laughing took out two very cold beers from his backpack. He carried them with frozen blocks for field coolers and wrapped in a blanket, there were a few. He passed one to Tanned Skin and opened the other with a long drink. Then he burped loudly, which caused no reaction from Tanned Skin.

Laughing was deliberately silent as they smoked cannabis and drank beer. When Tanned Skin was sufficiently cooked, he asked:

TS.- Well, what lie do you mean?

L.- To the Lie, which will be discovered at the End of the World.

TS.- Come on, come on. Don't embitter me with conspiracies. The Human Being has always been talking about the End of the World, and here we are. There is no End of the World.

L.- But Skin, from the fact that there is talk of the End of the World, it is neither deduced nor inferred that there is no End of the World. Rather, it follows that there is. Remember the saying, "when the river sounds, water carries".

TS.- Yes, true up to here, but you are inventing about the Lie.

L.- No, what the hell. The thing about the Lie comes in the Bible.

TS.- Yes? Where does the Bible say that?

L.- Almost at the end.

TS.- Let's see, Laughing. You know that I am not religious.

L.- But what the hell is that of not being religious? It is about understanding the World. You will have to understand what the religious say. How are you going to remove that part of the World? If you remove a part of the World, the World loses its meaning and you cannot understand it.

TS.- Well, I admit that. I'll look at the Bible, don't worry.

They continued smoking and drinking. The beers were running out and Laughing brought out another pair, handing one to Tanned Skin, and being mischievously silent.

TS.- How is your wife?

L.- You know well that I am not married or have a stable partner or children. Why don't you look at the Bible now?

TS.- Have you brought a Bible in your backpack?

L.- Skin, don't you have a stupidphone? Don't you know that in the stupidphone you have all the human knowledge?

TS.- Well, I use the stupidphone to play and find what I want to buy, in addition to communicating. I never thought I could solve the End of the World with the stupidphone.

L.- Yes, I know. Nobody thinks of looking for information on the stupidphone. They even take it from the children, is such a crime possible?! Well, try searching.

TS.- But do you want me to read the Bible now, how stoned I am?

L.- It is not about reading the whole Bible, I will tell you where the Lie is.

TS.- And hit the Lie. What is the Lie?

L.- Well, we are going to roll other joints and everything will be clearer to you.

TS.- That sounds good to me.

They rolled other joints quietly. They had eaten a while before and had plenty of drinks, they weren't in a rush at all... Oh yeah, sure. They looked for a thicket and were relieved. Always remember, "the one who has drunk, let him piss".

Laughing had to wait again. Tanned Skin wasn't going to look at the Bible on his own initiative, come on, not even if he had announced it.

TS.- Hey, our program is going pretty well, right? It has a lot of grace and good acceptance.

L.- Yes, but we have to give it a new boost. I'm thinking of introducing a great joke about the Lie.

TS.- And hit the Lie. What the fuck is the Lie?!

L.- At the End of the World, in which we are, the Lie is discovered. Look at the Bible. Let's see, take out the stupidphone, click the web browser and enter Vatican.

TS.- Ok. Vatican.

L.- Enter this one: Vatican.va

TS.- Vatican.va, good.

L.- In the bottom corner: Testi Fondamentali

TS.- Testi Fondamentali, good.

L.- There you have The Holy Bible. Click.

TS.- The Holy Bible, good.

L.- Click spagnolo.

TS.- Spanish, good.

L.- You already have the index of the Bible. Roll down to the end and you have Revelation. Click on chapter 10.

TS.- Revelation chapter 10, good. And here is the Lie?

L.- Yes. Read slowly.

1. THEN I SAW ANOTHER MIGHTY ANGEL DESCEND FROM HEAVEN, WRAPPED IN A CLOUD, WITH A RAINBOW OVER HIS HEAD. HIS FACE WAS LIKE THE SUN, HIS LEGS WERE LIKE PILLARS OF FIRE,

TS.- But what the hell is an angel? Hey, this is bullshit.

L.- Do you know what an angel is? This is how he expresses himself, Saint John, the author of this text. You are looking for an excuse to dismiss without understanding, you are cheating. Walk, keep reading and try to understand. Here he speaks of a person with great power. Don't be sidetracked by the author's bombastic rhetoric. Keep reading.

2. AND IN HIS HAND HE HAD A SMALL BOOK OPEN. HE PUT HIS RIGHT FOOT ON THE SEA AND HIS LEFT ON THE LAND,

TS.- And this means something, smart ass?

L.- Of course. He says two things here. First, that whoever discovers the Lie communicates it to the world with a short Message. And second, that this Message will be addressed to the Totality of Humanity, to the two parts of Duality.

TS.- Well, what are those two parts? Because here he says the sea and the land.

L.- That's it. He refers to chaos and government. Those are the two parts of Humanity and of every human being, not just religious people, all of us.

TS.- Because you do say so?

L.- No, not because I say so, but because I have understood it. Have you not seen, for example, the mythology of the Ancient Egyptians? A mound of earth arises from the water, that is, government, or order, arises from chaos. They call this mound Mastaba, and the first pharaohs were buried under a mastaba. Then they added more mastabas and had the pyramids, which are the representation of the government exercised by the pharaoh. There is the Step Pyramid, which is clearly a mastabas overlay, then they removed the steps. And the Ancient Egyptians are not the only ones, the Mayans had the same myth, no news from each other. Keep reading.

3. AND HE SCREAM IN A LOUD VOICE, LIKE THE ROAR OF A LION. THEN THE SEVEN THUNDERS RESOUNDED WITH HIS VOICES.

L.- There you have it. The rainbow guy Message will sound loud, like a lion's roar. And it will resound, that is, it will be forwarded by the seven thunders. Keep reading.

4. ONCE THEY SPOKE, I GOT READY TO WRITE, BUT A VOICE FROM HEAVEN ORDERED ME: "KEEP SECRET WHAT THE SEVEN THUNDERS HAVE SAID AND DO NOT WRITE IT DOWN."

TS.- Why shouldn't he write it? It would be better if he had said it already in his Revelation, right?

L.- No, no way. So the Human Beings weren't in a position to know. They would have censored and destroyed it, the entire text.

TS.- Well, okay. But who is speaking to Saint John? Because they tell him this. Is he hallucinating like crazy?

L.- No, he is not hallucinating, and the crazy are not hallucinating either. But do not want to know so much at the moment, you will already know. Keep reading.

5. AND THE ANGEL THAT I HAD SEEN STANDING ON THE SEA AND ON THE EARTH RAISED HIS RIGHT HAND TOWARDS THE SKY,

L.- Continue.

6. AND HE SWORE BY THE ONE WHO LIVES FOREVER AND EVER, BY WHO HAS CREATED HEAVEN, EARTH AND SEA AND EVERYTHING IN THEM, SAYING: «THE TIME OF WAITING IS OVER!»

L.- Do not get carried away by stupid decorations. Saint John knew very well that no one lives forever and ever, nor one created Heaven, Earth, and so on. The point here is that the rainbow guy marks the end of human waiting.

TS.- What is the human waiting?

L.- Waiting for the End of the World, until which time Humanity will not want to hear anything that makes it understand...

TS.- Don't stop there, Laughing. Understand what?

L.- What we saw before, the reason why they tell Saint John not to write what the seven thunders have said. Keep reading.

7. BUT THE DAY THAT THE TRUMPET OF THE SEVENTH ANGEL SOUNDS AND HIS VOICE IS HEARD, THE MYSTERY OF GOD WILL BE FULFILLED, ACCORDING TO THE ANNOUNCEMENT THAT HE MADE TO HIS SERVANTS, THE PROPHETS.

Tanned Skin was silent waiting for an explanation, but Laughing was also silent. At last, Tanned Skin spoke.

TS.- Well, Laughing. As I have heard and I think, there is no Mystery of God, that is clear. God would be, I don't think so, but believers believe that God would be the creator of Existence. What I have heard is "the mysterious plan of God."

L.- No, no, no. Sure enough, if you see the English translation, it says "God's mysterious plan", but it is that English-speaking people are more prone to self-delusion. No, let's see. God's plan is no mystery at all, it is clearly clearly stated by Saint John himself later on. Look, go to chapter 14 and reads verses 14 through 19 included.

14-14. AND I SAW A WHITE CLOUD ON WHICH SAT SOMEONE WHO LOOKED LIKE A SON OF MAN, WITH A GOLDEN CROWN ON HIS HEAD AND A SHARP SICKLE IN HIS HAND.

14-15. IMMEDIATELY ANOTHER ANGEL CAME OUT OF THE TEMPLE AND SHOUTED IN A POWERFUL VOICE TO THE ONE WHO WAS SITTING ON THE CLOUD: "TAKE HOLD OF

YOUR SICKLE AND REAP, BECAUSE THE TIME OF HARVEST HAS COME AND THE FIELDS OF THE EARTH ARE RIPE."

14-16. AND HE THAT SAT ON THE CLOUD PASSED HIS SICKLE OVER THE EARTH, AND IT WAS REAPED.

14-17. THEN ANOTHER ANGEL CAME OUT OF THE TEMPLE IN HEAVEN, ALSO CARRYING A SHARP SICKLE.

14-18. AND ANOTHER ANGEL CAME OUT OF THE ALTAR -THE ONE WHO HAS POWER OVER THE FIRE- AND SHOUTED WITH A POWERFUL VOICE TO THE ONE WITH THE SHARP SICKLE: "TAKE HOLD OF YOUR SICKLE AND HARVEST THE BUNCHES OF THE EARTH'S VINE, BECAUSE THEY HAVE REACHED MATURITY."

14-19. THE ANGEL PASSED THE SHARP SICKLE OVER THE EARTH, HARVESTED THE VINE AND THREW THE BUNCHES INTO THE IMMENSE VAT OF GOD'S WRATH.

L.- Do you realize? God's plan is Total Planet Suicide. Ask a priest and he will confirm it. It is no mystery. In addition, it will be in two stages. First, most of us will die of hunger, because we all go like little lambs to the slaughterhouse, without effective opposition to the ecological destruction of the planet, which is already causing widespread and progressive famine. Then nuclear bombs will be dropped and nuclear power plants will burst, "the one who has power over the fire." Why do you think the Ancient Egyptians also mummified animals and offered them to the gods? Because the Human Being is not only going to suicide Humanity, but the Whole Planet. That's what nuclear power plants are for, to

ensure the Total Death of the Planet. Why else would the Human Being commit such stupidity, do something so dangerous?

On the other hand, continued Laughing, nobody believes that God is the creator of Existence. I already told you that Religion is not a matter of beliefs, but of understandings. Now Religion is open to all Human Beings, of course, to the Totality, to the Earth and the Sea. No human being needs authorization to read religious texts because he or she does not commit to anything, he or she is not joining, but only understanding. Do you understand?

TS.- Yes, I think I do understand. But then what is the point of belief in God?

L.- Well, you have seen movies, documentaries, you have even studied history at school and others. You know very well that the Human Being has always been at war, and fights for his and her god. If God were the creator of Existence, this would not make any sense. It is thought that the Human Being fights because he or she does not agree, but it is not necessary to agree to live in peace. So, the Mystery of God is that the human being who definitively wins in this fight to suicide the planet will be God. In other words, all wars have been representations of the End of the World. This is the Mystery of God: God will be the one who wins. The priests have said it over and over again.

TS.- Wow. You leave me in one piece.

L.- Then, when the rainbow guy trumpet sounds and his voice is heard, it is not that the Mystery of God is fulfilled, but that it is disclosed, not yet fulfilled. Keep reading Chapter 10.

8. AND THE VOICE THAT I HAD HEARD FROM HEAVEN SPOKE TO ME AGAIN, TELLING ME: "GO AND TAKE THE LITTLE BOOK THAT THE ANGEL WHO IS STANDING ON THE SEA AND ON THE EARTH HAS OPEN IN HIS HAND."

L.- Continue.

9. I RAN TO THE ANGEL AND BEGGED HIM TO GIVE ME THE LITTLE BOOK, AND HE REPLIED: «HERE AND EAT IT; IT WILL BE BITTER FOR YOUR STOMACH, BUT IN YOUR MOUTH IT WILL BE SWEET AS HONEY ».

L.- Continue.

10. I TOOK THE LITTLE BOOK FROM THE ANGEL'S HAND AND ATE IT: IN MY MOUTH IT WAS SWEET LIKE HONEY, BUT WHEN I FINISHED EATING IT, IT TURNED BITTER IN MY STOMACH.

L.- Sure, you have to take the Little Rainbow Book, you can't refuse it. Now, it's sweet on the one hand because it offers Paradise as long as we live and undoes the stupid human misunderstanding that turns us into suicide criminals. This is wonderful. But it is bitter because it makes us see Death, which we have hidden under the Lie but, above all, it makes us see our criminality, of everyone, at all times. This is the bitter thing really, Death has no importance.

TS.- Okay, and what is the Lie? Because that word does not appear here.

L.- Read the last verse.

11. THEN I WAS TOLD: "IT IS NECESSARY THAT YOU PROPHECY AGAIN ABOUT A MULTITUDE OF PEOPLES, NATIONS, LANGUAGES AND KINGS."

TS.- Nor does he speak here of the Lie.

L.- What does not speak?! Let's see, Skin. Saint John is told that he must change his prophecy, of course, because with the Little Rainbow Book things are different, there would no longer be Suicide of the Planet. However, Saint John does not change his

prophecy, and he continues until Suicide. Why do you think he does this, why is he stubbornness?

TS.- Well, you have caught me here. Because, it seems, Saint John knew the Mystery of God, they had told him.

L.- Indeed, he knew it. And he also knew the Lie. In other words, Saint John prophesied that Human Beings will commit suicide on the planet even knowing the Lie and the Mystery of God.

TS.- Yes, well, Laughing, I think I am understanding despite the macabre of the matter, but remember that you have not yet told me the cursed Lie. On the other hand, Saint John believed in life after death...

L.- (Hitting Tanned Skin's shoulder with the back of his hand) There you have the Lie, you fool!!

Tanned Skin, a second later, erupted in a loud scream as he ran off as if pursued by the Devil.

END.

Author's Note 1: This reasoning is valid and logical, but that was not how I discovered the Mystery of God and the Lie, but in the reverse order, that is, I first discovered the Lie, specifically when reading umpteenth verse 14-13 of this same text, the Revelation of Saint John.

14-13. THEN I HEARD A VOICE ORDERING ME FROM HEAVEN: «WRITE: HAPPY ARE THOSE WHO DIE IN THE LORD! YES - SAYS THE SPIRIT - FROM NOW ON, THEY CAN REST FROM THEIR FATIGUE, BECAUSE THEIR WORKS ACCOMPANY THEM».

And he says this after exposing horrible Crimes Against Humanity "of the saints, of those who keep the commandments of

God and the faith of Jesus." Of course, someone who believed in immortality could never think this, how is such an extent criminal going to spend eternity? No, he says this because he knows the Lie, that no one believes himself or herself immortal. He also says, "because their works accompany them," that is, they will never be judged or know that their crimes will be exposed and condemned. Of course, because they will be dead, and that is Total and Complete. Note that this verse is dictated to Saint John, here they tricked him so that he was exposed himself and exposed all Humanity. Once the Lie is known, the Mystery of God is quickly deduced.

Another thing to keep in mind is that, although Humanity is determined to suicide the planet despite knowing the Lie and the Mystery of God, Saint John did not know about the Pact with Death of the Human Being. So here is a clear opportunity. Although Saint John's "visions" were correct, he did not "see" everything. It is very possible that the prophecy of Saint John will not be fulfilled, and the alternative offered by the rainbow guy does. After all, Human Beings always saw the reflection of the latter, that of Paradise. It is expressed in all religions, even Saint John expresses it in his Revelation.

Author's Note 2: Naturally, this would be a recorded sketch for the Laughing and Tanned Skin show. You will understand if you enter the "Relatos de Libertad" page, on this same website. You will find many hilarious stories, and more.

Author's Note 3: Let it be known that I chose the rainbow symbol long before I knew all this. The thing is entirely by chance. And I'm not homosexual, although I wouldn't mind being one.
