

## **El Trump nuestro/The Trump ours.**

Trump nuestro que presidirás el Cielo,  
Cadáver adorado por cadáveres, y el tuyo el primero.  
La Autoridad es contigo, no invitada, ya te digo.  
Todopoderosa Muerte te has cogido, bandido.

Esclavízanos hasta la muerte, tú y tu amigo.  
Que San Juan ya dejó dicho, 14:14 y sucesivos.  
Después de todo, al más tonto subimos,  
alguien tenía que ser el Elegido.

No hay razón para Existencia.  
Eres Lacayo del Suicidio Colectivo  
que, a falta de objetivo,  
tu propósito, tu deuda, tu meta.

Te adelantaste tú, Autoridad,  
como vagxs nos has entendido.  
Ahora ya no puedes ceder,  
Crimen de Lesa Existencia te has comido.

Humanidad agotada,  
nadie espera ya al Cristo.  
Intervendrá Dios Trump, sí, claro,  
mercenario de tu falso objetivo, tu último destino.

Oh, adorado Trump,  
te han pillado de pardillo.  
Si el objetivo es Suicidar el Planeta,  
cualquier tonto encuentra el camino.

Al Suicidio Colectivo se va a ciegas,  
fastidiando mucho a tu vecino  
así te mate y acabe contigo.  
Morir cuanto antes, quién consiguiera.

Y venga ya el conjuro que la gente espera.  
<<El día que tú señales,  
la Autoridad y su Dinero, fuera>>  
Solo divulgar esto las almorranas opera.

## **The Trump ours.**

Trump ours, who will preside over Heaven,  
Corpse adored by corpses, and yours first.  
Authority is with you, uninvited, I tell you.  
Almighty Death, you have taken, bandit.

Enslave us to death, you and your friend.  
As Saint John already said, 14:14 and successive.  
After all, we ascend to the most foolish,  
someone had to be the Chosen One.

There is no reason for Existence.  
You are the Lackey of Collective Suicide  
who, lacking an objective,  
your purpose, your debt, your goal.

You got ahead of yourself, Authority,  
as lazy you have understood us.  
Now you can no longer yield,  
Crime against Existence you have devoured.

Humanity exhausted,  
no one awaits the Christ anymore.  
God Trump will intervene, yes, of course,  
mercenary of your false objective, your ultimate destiny.

Oh, worshiped Trump,  
they've caught you out.  
If the goal is to Suicide the Planet,  
any fool will find the way.

You're going blindly toward Collective Suicide,  
annoying your neighbor a lot,  
even if he kills you and puts an end to you.  
To die as soon as possible, who could achieve that?

And then come the spell that people are waiting for.  
<<The day you signal,  
the Authority and its Money, out>>  
Just divulge this the hemorrhoids operates.
